United Farmers Telephone Company

**Certification of Compliance with Applicable Service Quality Standards and
Consumer Protection Rules**

Iowa Administrative Code §199-22.6 requires an ETC to certify in its annual report that it is complying with applicable service quality standards and consumer protection rules. The ETC will measure its service connection, held order, and service interruption performance monthly according to this section. United Farmers Telephone Company certifies that it has complied with these requirements and will continue to comply with these requirements.

United Farmers Telephone Company

Certification Regarding Ability to Function in Emergency Situations

Iowa Administrative Code §199-22.6(5) requires an ETC to certify in its annual report that it is complying with provisions to meet emergencies, including but not limited to the provisions of emergency power. Each central office shall contain a minimum of two hours of battery reserve and for offices without permanently installed emergency power facilities, there shall be access to a mobile power unit with enough capacity to carry the load which can be delivered on reasonably short notice and readily connected. United Farmers Telephone Company certifies that it has complied with these requirements and will continue to comply with these requirements.

United Farmers Telephone Company

Lifeline Terms and Conditions

United Farmers Telephone Company ("United Farmers") offers Lifeline program-supported service to qualified low-income residential consumers for one telephone line or qualifying broadband internet access service (BIAS) per eligible household. The Lifeline program provides discounts to eligible low-income consumers to help them establish and maintain telephone service or qualifying BIAS. Eligible consumers can receive \$9.25 per month in discounts. In addition, the Federal Universal Service Charge is not assessed to consumers participating in Lifeline. Toll blocking prevents the placement of all long distance calls for which a subscriber would be charged. Toll blocking is available to eligible consumers at no cost. Also, by choosing this option, consumers are usually not charged a deposit.

Lifeline Program Eligibility Information

Program Based Eligibility

Consumers are eligible for Lifeline if they, one of their dependents or their household participate in one of the following qualifying assistance programs:

Federal Public Housing Assistance (Section 8)
 Supplemental Nutrition Assistance Program (SNAP)
 Medicaid
 Supplemental Security Income (SSI)
 Veteran's Pension and Survivor Benefit

Lifeline applicants must present documentation demonstrating eligibility either through participation in one of the qualifying federal assistance programs or through income-based means.

Acceptable documentation of program-based eligibility includes: current or prior year's statement of benefits from a qualifying state, federal or Tribal program; notice letter of participation in a qualifying state, federal or Tribal program; program participation documents; or another official document evidencing the consumer's participation in a qualifying state, federal or Tribal program.

Income Based Eligibility

In addition, consumers are eligible for Lifeline if their household income is at or below 135% of the federal poverty guidelines.

2017 Federal Poverty Guidelines – 135%

Household Size	48 Contiguous States and D.C.	Alaska	Hawaii
1	\$16,281	\$20,331	\$18,711

3	\$27,567	\$34,452	\$31,698
4	\$33,210	\$41,513	\$38,192
5	\$38,853	\$48,573	\$44,685

7	\$50,139	\$62,694	\$57,672
8	\$55,782	\$69,775	\$64,166
For each additional person, add	\$5,643	\$7,061	\$6,494

Acceptable documentation of income eligibility includes: prior year's state, federal or Tribal tax return; current income statement from an employer or paycheck stub; social security statement of benefits; Veterans Administration statement of benefits; retirement/pension statement of benefits; unemployment/workmen's compensation statement of benefits; federal or Tribal notice of letter participating in General Assistance; or a divorce decree or child support award or other official document containing income information.

Lifeline Program Service

United Farmers' Voice Lifeline service includes unlimited local minutes-of-use within the toll-free calling area. United Farmers' Voice Lifeline Plan does not include any free minutes-of-use for toll. Toll is billed at the standard toll rate depending on which interexchange carrier the consumer subscribes to for toll service. As part of the Lifeline service, Toll blocking is available to eligible consumers at no cost.

BIAS minimum speed and usage allowance standards are required for the service to qualify.

Lifeline recipients may transfer the Lifeline benefit to a new company once every sixty days for telephone service and once every 12 months for BIAS.

Rates

Subscribers may receive the Lifeline credit on any type or grade of local service, including bundled services that are normally offered by United Farmers. Advertised rates do not include any applicable taxes or surcharges.

Recertification of Lifeline Eligibility

Lifeline recipients are required to recertify their eligibility annually. Failure to properly recertify a recipient's continued eligibility for the Lifeline program will result in termination of the Lifeline recipient's monthly Lifeline discount and de-enrollment from the Lifeline Program.

Additional Lifeline Program Information

The Lifeline program is limited to one benefit per household, consisting of either telephone or BIAS. A household is defined, for purposes of the Lifeline program, as an individual or group of individuals who live together at the same address and share income and expenses. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.
